iMin D3(Premium)
DESKTOP POS

The iMin D3 has three screen configuration options, customisable to your business needs.
The D3 is multi-functional and highly compatible with external devices. Best for businesses
looking for a sleek and minimal POS system which takes up less space.
*Dual-screen display option seamlessly closes the gap with your customer
*HD display screen for quality graphics
*Compatible with devices including cash drawers, scanners, printers, and more
*Conveniently attach other devices with multiple peripheral ports including USB Type A, Micro-USB, and TF card
